

READYLADDER

Walk Through Attachment

TAKE SAFETY TO THE NEXT LEVEL

ReadyLadder walk through rail extensions attach to the top of the ladder to provide a safe, easy transition to the next surface. The OSHA-compliant extended sides give workers a handhold as they step off the ladder.

- Effectively improves safety
- Made of durable FRP
- Easy to install

INSTALLS IN MINUTES

The ReadyLadder walk through attachment kit includes two rail extensions, four spacers, and the necessary hardware. Simply align the spacers and rail extensions to your existing ReadyLadder as shown in the diagram, then secure them with the provided hardware.
