Structural shape products are covered under a different warranty as stated in Paragraph 2. The Terms contained herein shall supersede all other terms, understandings, and conditions inconsistent herewith, including, but not limited to, terms in any purchase order, drawing, or Buyer’s form. Any additional or inconsistent terms, understandings, and conditions contained in any written or oral representations are expressly objected to by Seller and will not be effective or binding as to Seller.

**2. **19. Waiver:** Failure to assert a claim arising from these Terms shall not be deemed to waive any subsequent claim.

**20. **22. Intellectual Property:** Buyer agrees that it does not have any property interest in Seller's intellectual property, including, but not limited to, its trademarks, trade names, copyrights, trade secrets, patents, know how or other proprietary rights of any nature whatsoever, whether or not incorporated in the Goods and/or Design and Build Products covered by these Terms, and Buyer will not attempt to reverse engineer any such Goods or Design and Build Products or disclose or use any such intellectual property without Seller's prior written consent. **23. Relationship:** An offer to sell or acceptance of order by Seller constitutes the only relationship of Buyer and Seller and no other relationship, such as agent, distributor or broker, is expressed or implied.

**24. Successors and Assigns:** These Terms shall be binding upon and inure to the benefit of the parties, their successors and assigns, provided that Buyer may not assign the contract without Seller's prior written consent, which Seller may withhold in its sole discretion.

**25. Arbitration; Waiver of Jury Trial:** Any dispute, claim or controversy arising out of or relating to the goods sold or offered on this Website and/or these Terms and Conditions of Sale, or any other notices, terms or policies found on this Website, or the breach, termination, enforcement, interpretation or validity hereof, including the determination of the scope or applicability of these Terms and Conditions of Sale to arbitrate (hereinafter, collectively, the "Dispute"), which cannot be resolved informally, will be resolved by binding arbitration on an individual basis under the terms set forth below (the "Arbitration Agreement") in this Section 25. Notwithstanding anything to the contrary, however, you retain the right to bring an individual action in small claims court and the right to seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation or violation of a party's intellectual property rights. The institution of any action for injunctive relief will not constitute a waiver of the right or obligation of any party to submit any claim seeking relief other than injunctive relief to arbitration.

The place of arbitration will be in Bedford County, Pennsylvania, unless otherwise agreed to in writing by all parties to the arbitration. The parties acknowledge that this Arbitration Agreement evidences a transaction involving interstate commerce, and the Federal Arbitration Act, 9 U.S.C. Sections 1-16, will govern the interpretation, enforcement and proceedings pursuant to this Arbitration Agreement. The parties expressly agree that all actions taken under the Arbitration Agreement and related provisions, including but not limited to all filings, orders, judgments, and awards made in any arbitration proceeding, are confidential and may not be disclosed to any third party.

The arbitration proceeding will be administered using the rules of the American Arbitration Association ("AAA") before one arbitrator. The decision of the arbitrator will be final and binding and will not have precedential effect. The arbitrator will not have the authority to award damages outside of those set forth in these Terms and Conditions of Sale. Any final award or judgment may be filed and enforced in any court of competent jurisdiction. The parties will share equally in the costs assessed for the arbitration, and each party will bear its own attorneys' fees and costs. Any arbitration proceeding may not be consolidated or joined with any other proceeding and will not proceed as a class action. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT OR OPPORTUNITY TO LITIGATE DISPUTES THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE, AND TO PARTICIPATE IN A CLASS ACTION OR OTHER PROCEEDING INVOLVING MULTIPLE CLAIMANTS, BUT THEY INSTEAD CHOOSE AND AGREE TO HAVE ALL DISPUTES AS SET FORTH HEREIN DECIDED THROUGH INDIVIDUAL ARBITRATION.**

**26. Governing Law; Severability:** The validity, construction, and performance of the Terms herein and any other documents related to the sale of Design and Build Products and/or Goods from Seller to Buyer shall be governed by the laws of the Commonwealth of Pennsylvania without regard to conflicts of laws principles. Further, the law of the Commonwealth of Pennsylvania shall apply to all disputes or controversies arising out of or connected to or with the sale of Design and Build Products and/or Goods from Seller to Buyer and all such other documents and terms without regard to conflict of law principles. Each provision hereof shall be severable, and in the event any provision hereof is held to be contrary to law, invalid, or unenforceable, the remaining provisions shall not be affected thereby, but shall remain in full force and effect.

**28. Miscellaneous:**

a. Buyer acknowledges that it has read these Terms and has had the opportunity to clarify these Terms with Seller.
